

# Peter Koppes, I Wonder

Only you knows the secret  
Of desire and how to keep it  
You've been blessed with the gift of natural law

I wander around in a secular valley  
I want a glimpse, of hope and you'll have me  
Weary for a jeer on your island shore

I wonder if I'm feeling better  
Or if its your turn to cry  
I wonder if I'm feeling better now

In the womb, never though I'd be there  
Comfort of I feel that I'm needy  
Then with trust came ecstasy and my tears

Chance had it lost in the sands  
What'd you learn with lonely friends  
A faded fire, a painful souvenir

I wonder if I'm feeling better  
Or if its just a turnaround  
I wonder if I'm feeling better now
