

Peter Murphy, Breaking No One's Heaven

Four skies in one night
The earth from your face
It takes one
It takes two
It takes three to make a bird
Fly from that blossom tree
The earth from your face
From your eyes
Looks like a groovy place
Keeps me smiling like a child
Like a child
Like a child
Like a child

Well, it came as no surprise
Love was in your eyes
It was evident to me
That I came to you
Unable to really be
Then there was you

CHORUS
The dolphin keeper lets us sail
In through our love's initial veil
The simple love I give to you
Is breaking no one's heaven

CHORUS

It's a piece of truth

Your clothes are altered
To twist me inside
I'm hanging sweet and kind
And I've seen my twisted light
Unshatter

CHORUS
CHORUS
CHORUS

It's a piece of truth
It's a piece of truth
