

# Peter, Paul & Mary, All Mixed Up

You know this language that we speak,  
is part german , latin and part greek  
Celtic and arabic all in a heap,  
well amended by the people in the street  
The Choctaw gave us the word "okay";  
"vamos" is a word from Mexico way.  
And all of this is a hint I suspect of what comes next.

Chorus:

I think that this whole world  
Soon mama my whole wide world  
Soon mama my whole world  
Soon gonna be get mixed up.  
Soon mama my whole world  
Soon mama my whole wide world  
Soon mama my whole world  
Soon gonna be get mixed up.

I like Polish sausage, I like Spanish rice,  
and pizza pie is also nice  
Corn and beans from the Indians here  
washed down by German beer  
Marco Polo traveled by camel and pony,  
he brought to Italy, the first macaroni  
And you and I as well we're able,  
we put it all on the table

(Chorus)

There were no red-headed Irishmen  
before the Vikings landed in Ireland  
How many Romans had dark curly hair  
before they brought slaves from Africa?  
No race of man is completely pure,  
nor is anyone's mind, that's for sure  
The winds mix the dust of every land,  
and so will woman and man.

(Chorus)

This doesn't mean we will all be the same,  
We'll have different faces and different names  
Long live many different kinds of races  
It's a difference of opinion that makes horse races  
Just remember the rule about rules, brother  
What could be right for one could be wrong for the other  
And take a tip from La Belle France: "Viva la difference!"

(Chorus)
