

# Peter, Paul & Mary, Home on the Range / Don't E

Oh give me a home where the buffalo roam  
And the deer and the antelope play  
Where seldom is heard a discouraging word  
And the skies are not cloudy all day

Home, home on the range  
Where the deer and the antelope play  
Where seldom is heard a discouraging word  
And the skies are not cloudy all day

Three horses grazing out my window, brown, black and white they stand  
Rolling pastures they can wander, free and easy is their land

Chorus:  
Don't ever take away my freedom, don't ever take it away  
We must cherish and keep that one part of our lives  
And the rest we're gonna find one of these days...  
One of these days

I always thought that I'd see in my own lifetime  
An end to poverty, injustice and war  
But now I've learned that that job will take a long, long time  
So there's one thing that must endure

Chorus

When I am old and thinking over the whole life that I've led  
If there's one final wish left to me  
I will pray that the children, who are yet to be born,  
I will pray that they will always live free

Chorus

There is a time for the singing and the sunshine  
There is a time for the thunder and the rain  
There is a time for the changing of the seasons my friend  
But there is one thing we must never change

Chorus
