

# Peter, Paul & Mary, On A Desert Island

One and a-two and a-three  
Ya-tya-da tya tya da tya tya da tya  
Ta dee-da-dum

On a desert island, a magic yours and my land  
Everyday's a holiday with you  
Under a blue sky dear we could get an idea  
Of what our two lips were meant to do  
Strolling beside you hand in hand we'll go  
Through love's promised land dear  
All our lives I know believe me  
Happiness would be ours if for only three hours  
On a desert island in my dreams

Ya-tya-da tya tya da tya tya da tya  
Ta dee-da-dum  
Ya-tya-da tya tya da tya tya da tya  
Ta dee-da-dum (etc.)

Strolling beside you hand in hand we'll go  
Through love's promise land dear  
All our lives I know sincerely

Every gal and guy can have a desert island  
If they are in love as much as we  
Happiness will be ours if for only three hours  
On a desert island in my dreams...  
On a desert island in my dreams
