

# Peter, Paul & Mary, Tryin' to Win

You know it's hard to love another man's girlfriend  
You can't see her when you want to  
You gotta see her when you can  
We may be fighting a losin' battle  
But havin' a lotta fun tryin' to win.

I thought it over from these points of view  
One way love ain't no good for two.  
We may be fighting a losin' battle  
But havin' a lotta fun tryin' to win.

Here's my confession baby, I want you to take heed  
From this day on darlin' you can do anything you please.

I asked my baby should I go away  
Your man wants me to leave  
Do you want me to stay?  
We may be fighting a losin' battle  
But havin' a lotta fun tryin' to win.

Here's my confession baby, I want you to take heed

We may be fighting a losin' battle  
But havin' a lotta fun tryin' to win.  
We may be fighting a losin' battle  
But havin' a wonderful time, wish you were here!
