

Peter, See Ya (2013)

Yeah, yeah, yeah, ooh
Oh baby
Yeah, yeah, yeah
Check it out now
I've been looking and been searching oh baby
For the one who'll be true (oh yeah)
Oh, oh, oh
And I thought that I had found him oh boy
But now I know its not you (oh yeah)
Oh, oh, oh

Cos you can see me running
But you're standings still
You don't believe its coming
But you know that it will

Chorus
So baby See ya, alright (oh yeah)
I wouldn't wanna be ya tonight
And let me make it clear,
I'm right You're not the one for me yeah
Yeah, yeah, yeah

Well there's planty more where you came from
So I think I'll go fish (oh yeah)
Oh, oh, oh
Cos there's a great big ocean out there and boy You're not my favourite dish
Oh, oh, oh
Cos you can see me sinking like I told ya so
I need a new direction but ya won't let me go

Chorus

Check it out now

Cos you can see me running
But you're standing still
You don't believe its coming
But you know that it will

Chorus
