

Peter Tosh, Coming In Hot

"Chorus:"
Coming In Hot
Firin' some shot
Coming in red hot
It's a musical shot

I just clean up me nuzzle
I just load me barrel
And I cock me hammer
Cause I'm gonna pull my trigger

"Chorus"

One minute after dozing
I thought that I was a blazing
My blood it was a boiling
It was amazing

"Chorus"

Next day it went higher
Whole a me catch a fire
I couldn't take it no longer
I haffe chokin' on some cold ice water

"Chorus"

I got up the other day
My heat it never went away
103 on the hour
I had to head for the shower

"Chorus"
