

# Peter Tosh, Fight On

Africa has got to be free

"Chorus:"

Fight on brothers, fight on  
Fight on and free your land  
Fight on sisters  
Fight on and free your fellow man

Africa has got to be free

By 1983  
Come on make us see  
Brothers fight on

"Chorus"

You have paid your dues  
And you have nothing to lose  
And that is always my views  
You've got to fight on

"Chorus"

'Cause if Africa is not free  
Then we all will be  
Back in shackles you see  
My brothers fight on

"Chorus"

Brothers of scorn in exile  
For such, such a long while  
Vasis him too vile

"Chorus"

We need majority rule  
Scimit and vasta is too cruel  
Early morning dew  
Fight on

"Chorus"

Fight on and free yourself  
Fight on and free the land  
Fight on and free your fellow man
