

# Peter Tosh, I'm The Toughest

"Chorus:"

Anything you can do  
I can do it better  
I'm the toughest "(2x)"  
And I can do what you can't do  
You'll never try to do what I do  
I'm the toughest "(2x)"

Stop from doing wrongs  
Change your foolish plans  
Stop from doing wrongs  
Just live up like a man

I'm the toughest "(2x)"

Now my little brothers  
You've got to be good  
Do what's right  
Don't be bad-minded  
Just take what's yours  
And there'll be no fuss or fight

"Chorus"

Stop from doing wrongs  
Change your foolish plan  
Stop from doing wrongs  
Just live up like a man

I'm the toughest "(2x)"

Now my brothers  
You've got to be good  
Just do what you know is right  
Don't be bad minded  
Just take what's yours  
And there'll be no fuss or fight

"Chorus"

I said I love my brothers  
I said I love my sisters  
I don't covet my neighbour  
And I love my neighbour
