

# Peter Tosh, Soon Come

Every time I call  
You tell me that you soon come  
I call you on the phone  
Yo utell me that you soon come

I don't like hangin' around  
Or to be pushed around  
I got my business puttin' down  
I don't like soon come

I checked you at the gate  
You tell me that you soon come  
Make a date you're late  
I wait because you soon come

Tell I what you're waiting for  
Is it bus, truck or car  
I-Man don't like your war  
I don't like soon come

I checked you uptown  
You tell me that you soon come  
I checked you downtown  
You tell me that you soon come

Don't take I for a fool  
Who just come at of school  
Don't ride me like a mule  
I don't like soon come

I saw you on the bus  
You tell I that you soon come  
You start to make a fuss  
You tell I that you soon come

You coulda screwed 'til you blue  
I got to be with you  
No matter what you do  
I don't like soon come

You coulda screwed 'til you blue  
No matter what you do  
The chances are with you  
I don't like soon come

Put some smile on your face  
Let money be the taste  
Like your presence in this place  
I don't like soon come
