Petey Pablo, Fool For Love

Today we will be discussing... Love (I dont think you hear me though) Is there anyone.. (I don't think you hear me though) Is there anyone.. (I don't think you, I don't think you).. anyone...in love?

[Hook] I shoulda known better than to be out here fuckin' with you Knowin' the shit you do I shoulda known better than to be out here fuckin' with you All that shit you took a nigga through I told myself that everything would work out fine (I fucked 'round and hit it) fucked around and slipped and hit that pussy one mo' time (I fucked 'round and hit it) and got caught up in something that's worse than drugs I'm a motherfuckin' fool for love.

and I'm just a (just a) just a (just a) a motherfuckin' fool for love.

[Verse One] man, I was sure I had Ms. Perfect I was settling down through fuckin' round most the time I stayed at her house spent all my time, with her when we stayed in the town thought this shit right here was really bout to work out quickly found out, that wasn't her intentions shorty phone used to ring e're five seconds ain't pay attention she would always take her calls in the kitchen go to the sink, runnin' water like she washin' dishes ain't tryin' a listen I know how them shorties is always in somebody business gossipin', shootin' bullshit with her girlfriend one day feelin like a joker told her I wasn't comin over Jive got me on the last flight out to Arizona, what I told her went over unexpected rung the bell (ding dong!) Domino's (just a second!) opened the door with the robe on she only put on, when she naked as the day she was born I'm just standin' there with crossed arms then her baby car came out lookin' at me like ("Nigga wha's wrong?!") Wha's wrong?!?

[Hook]

Ì shoulda known better than to be out here fuckin' with you Knowin' the shit you do I shoulda known better than to be out here fuckin' with you

All that shit you took a nigga through

I told myself that everything would work out fine

(I fucked 'round and hit it)

fucked around and slipped and hit that pussy one mo' time (I fucked 'round and hit it)

and got caught up in something that's worse than drugs I'm a motherfuckin' fool for love.

and I'm just a (just a) just a (just a) a motherfuckin' fool for love.

[Verse Two] if I aint just get outta prison, man listen, I'd a did him by Kentucky Fried Chicken, and the nigga, I aint' bullshittin' glad I had my man with me he fast, turned me around pulled me out the house to the car, nigga we out I'm madder than a muhfucker, heart tore up lookin for a clip to dry this off the side of (whoo!) man I caught him in the house wit' my girl damn cuz that shit was fucked up fuck her,.... just like the rest of 'em I'm a tell ya somethin', I can't front we been broke up for a couple of months and I done called her up we talked I aint mad as I was she ain't doin no mo' than I done ya know?, just got caught wit her's hit me right here when she told me she still had my stuff (want me to bring it?) can you stay when you come? (uh huh) DAMN!
