

# Petite Meller, Baby Love

I don't get what love is  
I don't get what love is

She will break the most  
We just looking on your...  
I hope that  
I hope that  
/2x

Baby Love,  
You don't know what that means,  
Baby Love,  
Disappearing while you're here,  
Baby Love,  
You don't know what that means,  
Baby Love,  
Disappearing while you're here, baby

You, just knock me on my feet  
I'm sweated all my body  
I shiver  
When, I'm walking on those street  
I trekking out of worry  
Have mercy

Baby Love,  
You don't know what that means,  
Baby Love,  
Disappearing while you're here,  
Baby Love,  
You don't know what that means,  
Baby Love,  
Disappearing while you're here, baby
