

# Petra, Beyond Belief

We're content to pitch our tent  
When the glory's evident  
Seldom do we know  
The glory came and went

Moving can seem dangerous  
In this stranger's pilgrimage  
Knowing that you can't stand still  
You cross the bridge

(chorus)

There's a higher place to go  
Beyond belief, beyond belief  
Where we reach the next plateau  
Beyond belief, beyond belief  
And from faith to faith we grow  
Towards the center of the flow  
Where He beckons us to go  
Beyond belief, beyond belief

Leap of faith without a net  
Makes us want to hitch our bed  
Waters never part  
Until our feet get wet, whoa, whoa

There's a deeper place to go  
Where the road seems hard to hoe  
He who has begun this work  
Won't let it go (let it go!)

(chorus)

And it takes so long to see the change  
But we look around, and it seems so strange  
We have come so far, but the journey's long  
And we once were weak, but now we are strong

(chorus)
