

# Petra, Destiny

Words by Bob Hartman  
Based on Romans 8:28-30

Time is a gift on loan  
Fate is already known

It's your destiny to make it to the end  
It's your destiny to go against the trend  
Heavenly destiny, destiny

Plans are already laid  
Debts are already paid

It's your destiny, your place  
Within His will  
It's your destiny, you alone can fill  
Heavenly destiny

When you gonna see you're meant to be  
You're chosen out of history  
No one else can take your place  
The one and only in the human race  
One of a kind  
When you gonna see He has a will  
For you and only you fulfill your destiny

The steps of a righteous man  
Are led by a Master's plan  
It's your destiny, don't forsake the call  
It's your destiny, a stone within the wall  
It's your destiny, no accidental call  
It's your destiny, you were meant to be  
It's your destiny, only you can see  
Heavenly destiny
