

Petra, Get Back To The Bible

Words and music by Bob Hartman

I don't know what I've been told
Joe Smith has seen Moroni
It's getting so a man can't tell
Who's real and who's a phony

Get back to the Bible
It's telling you the way to go
Jesus is the answer to everything you need to know

"Hare Krishna" may be fun to sing
But it ain't gonna get you to heaven
The only one who's gonna get you there
His number is a perfect seven

Get back to the Bible
It's telling you the way to go
Jesus is the answer to everything you need to know

Satan worship may be cool and hip
But when are you gonna learn?
There's a place that's set for you and him
Man, you know you're gonna burn

So get back to the Bible
It's telling you the way to go
Jesus is the answer to everything you need to know
