

# Petra, Graverobber

There's a step that we all take alone  
An appointment we have with the great unknown  
Like a vapor this life is just waiting to pass  
Like the flowers that fade, like the withering grass

But life seems so long and death so complete  
And the grave an impossible portion to cheat  
But, there's one who has been there and still lives to tell  
There is one who has been through both Heaven and Hell

And the grave will come up empty handed that day  
Jesus will come and steal us away...

(Chorus):

Where is the sting?  
Tell me, where is the bite?  
When The Graverobber comes like a thief in the night  
Where is the victory?  
Where is the prize?  
When The Graverobber comes and Death finally dies

Many still mourn, many still weep  
For those that they love who have fallen asleep  
But, we have this hope though our hearts may still ache  
Just one shout from above and they all will awake

And in the reunion of joy you will see  
Death will be swallowed in sweet victory...

(Chorus):

When the last enemy is gone  
From the dust will come a song  
Those asleep will be awakened  
Not a one will be forsaken  
He shall wipe away our tears  
He will steal away our fears  
There will be no sad tomorrow  
There will be no pain and sorrow
