Kenaniah

Words by Bob Hartman, John Lawry, and Danny Kingen
Based on 1 Chronicles 15:22,27

Kenaniah of the Levites appointed by the king
To teach the songs of Zion, to lead them as they sing
Your song is not forgotten, we hear it in our souls
Let it burn and burn within us
And fan the sacred coals

Kenaniah, Kenaniah, we will sing your ancient song
Kenaniah, Kenaniah, we will sing it loud and strong

Gathered for the battle, Kenaniah led the way
As the singers closely followed him, they all began to pray
The musicians all assembled, Kenaniah gave the word
Through the raging battle zone, the anthem could be heard

Kenaniah, Kenaniah, we will never let it die
Kenaniah, Kenaniah, we must lift it to the sky

Sing unto Jehovah of His wondrous ways
Sing a song of triumph, sing a victory song
And in the cloud of witnesses, Kenaniah sings along

Kenaniah, Kenaniah, through the ages it will ring
Kenaniah, Kenaniah, to Jehovah we will sing
