

Petra, Satisfy

You are all I seek and all I know
I am satisfied in you alone
I've found nothing in this world
That seems so sweet
As your presence in a life laid at your feet

(Chorus)
And my cry
Lord my cry
Is that you are good
And that you satisfy

You are all I seek and all I am
In you I am complete, in grace I stand
When I wandered far from you
You brought me here
You've brought me to the cross
You've brought me here

My delight is your faithfulness and truth
My desire is to quench my thirst in you
