

# Petra, Whole World

Words and music by Bob Hartman  
Based on Hebrews 1:3, Matthew 20:29, 6:34

Hearts are falling left and right  
Children fear this planet's plight  
Fatalistic fears abound  
And take their toll without a sound  
But through the vague uncertainty - comes a bold assurity  
This world is under sovereignty - divinely ordered destiny  
He holds this world together with the Word of His power  
Safe within His hands - til its own appointed hour

(Chorus)

He's still got the whole world in His hands - tonight  
And only He knows where the sparrow lands - tonight  
And nothing in this world can stop His plans - tonight  
'Cause He's still got the whole world in His hands  
In His hands tonight

Humanistic lies lament  
The holocaust is imminent  
Doomsday prophets in the news  
Predicting who will light the fuse  
The fate of His creation isn't subject to a man  
The final consummation is according to His plan

He's still got you - He's still got me in His hands tonight
