

Petra, Without You I Would Surely Die

Words and music by Greg Hough

Sometimes I feel like I'm all mixed up inside
Sometimes I feel like I wanna go run and hide
But then You put Your arms around me
And I feel Your sweet love surround me
Then I know just where I'm going

I tell You sincerely You're the sweetest person I've ever know
And I love You dearly You know I'd never, never let You go
'Cause when You put Yours arms around me
And I feel Your sweet love surround me
Then I know just where I'm going

(Chorus)
You keep my head on my shoulders
I'm well adjusted inside
You are my love, You are my only life
Without You I would surely die

And there is no other that I love as much as I love You
I wish that my brother could love You just as much as I do
'Cause when You put Your arms around me
And I feel Your sweet love surround me
Then I know just where I'm going

There is no more doubt, there's no more knowing

Repeat Chorus
