

# Petula Clark, Don't give up

When love seems to get you down  
When you can't turn around and run  
You've got to stop and face the fact  
That the heartaches have just begun  
Because you need love, you need love  
Keep on till you know what you've won yeah!  
Don't give up, don't let it get you down  
Don't give up, don't think of leaving town  
Don't give up, don't run away from it  
Love will be yours in the end, my friend  
When someone is on your mind  
And you can't find the words to say  
Don't put off until tomorrow, my friend  
What you know you've gotta do today  
Because you need love, you need love  
And in time you'll discover the way yeah!  
Don't give up, don't let it get you down  
Don't give up, don't think of leaving town  
Don't give up, don't run away from it  
Love will be yours in the end, my friend  
You know you need love, you need love  
Keep on till you know what you've won yeah!  
Now don't give up, don't let it get you down  
Don't give up, don't think of leaving town  
Don't give up, don't run away from it  
Love will be yours in the end, my friend  
Now don't give up, don't let it get you down  
Don't give up, don't think of leaving town  
Don't give up, don't run away from it  
Love will be yours in the end, my friend  
Now don't give up, don't let it get you down
