

Petula Clark, Here, There And Everywhere

To lead a better life,
I need my love to be here
Here, making each day of the year,
Changing my life with a wave of his hand
Nobody can deny that there's something there
There, running my hands through his hair
Both of us thinking how good it can be
Someone is speaking but he doesn't know she's there
I want him everywhere
And if he's beside me, I know I need never care
But to love him is to need him everywhere
Knowing that love is to share
Each one believing that love never dies
Watching his eyes and hoping I'm always there
I want him everywhere
And if he's beside me, I know I need never care
But to love him is to need him everywhere
Knowing that love is to share
Each one believing that love never dies
Watching his eyes and hoping I'm always there
To be there and everywhere
Here, there, and everywhere
