

# Petula Clark, Round every corner

'round ev'ry corner, 'round ev'ry corner  
'round ev'ry corner, ('round ev'ry corner)  
'round ev'ry corner, 'round ev'ry corner  
'round ev'ry corner, ('round ev'ry corner)  
Stop feeling sad now, life ain't so bad, now  
'round ev'ry corner ('round ev'ry corner)  
While you're debating, something's a-waiting  
'round ev'ry corner ('round ev'ry corner)  
When Columbus sailed away to other shores  
How could he imagine all that waited for him?  
Around ev'ry corner, (instrumental repeat)  
Around ev'ry corner, (Around ev'ry corner)  
Leave all the blue days, think about the new days  
'round ev'ry corner ('round ev'ry corner)  
Everything is yours, now, open all the doors, now  
'round ev'ry corner ('round ev'ry corner)  
Man will soon be standing on the moon above  
Just imagine all the things that he'll discover  
You've gotta stop a-sittin' there on the shelf  
You've gotta start lookin' out for yourself, yeah  
Around ev'ry corner, (Around ev'ry corner)  
Around ev'ry corner, (Around ev'ry corner)  
What's the use in crying? Happiness is lying  
Around ev'ry corner, (Around ev'ry corner)  
And if you want a true love, look for a new love  
Around ev'ry corner, (Around ev'ry corner)  
Just forget the worries that you leave behind  
There are many things to do and you can find them  
'round ev'ry corner, ('round ev'ry corner)  
'round ev'ry corner, ('round ev'ry corner)  
Around ev'ry corner, (Around ev'ry corner)  
Around ev'ry corner, (Around ev'ry corner)  
Around ev'ry corner, (Around ev'ry corner)
