

PFR, All Ready

(Repeat 4x)
I'm all ready

Tonight could be the last time
I see the stars shining on me
If it's so I won't run
It's already done

(Chorus)
I'm all ready

To go when it's time
I lost myself long ago only to find
My loss was my gain
With you I remain

(Chorus)

I'll live and I'll love
Take less than I give for I have enough
Believe that in time
You'll see that I'm

(Chorus)
