PFR, All Ready

(Repeat 4x) I'm all ready

Tonight could be the last time I see the stars shining on me If it's so I won't run It's already done

(Chorus) I'm all ready

To go when it's time I lost myself long ago only to find My loss was my gain With you I remain

(Chorus)

I'll live and I'll love Take less than I give for I have enough Believe that in time You'll see that I'm

(Chorus)
