

# PFR, Grace Of God

i am more than this flesh and bone  
by myself i wander the streets alone  
but when my dream is over and morning creeps on in  
i pull the covers back and i feel your warmth again

## Chorus

there is something inside  
that i can't explain  
but by the grace of God i  
am made whole again  
in the times i have fallen  
and when i felt the shame  
yet by the grace of God i  
am made whole again  
in the times i have fallen  
and when i felt the shame  
yet by the grace of God i  
am made whole again

sold in my pride i said i know  
so i bought the lie and chained my soul  
but mercy runs deep and seeks to fill  
an empty well of shadow that  
one day will reveal

## Chorus
