

PFR, Satisfied

(Verse 1)

There is no reason to run anymore
No reason to hide away
Since He's come into my life
He's brought sunshine to my day

(Chorus)

I will let my light shine
No more shadows
I will let my light shine
Darkness run away
I will let my light shine
For a bright tomorrow
I will let my light shine

(Verse 2)

No more casting shadows
No more living lies
Since He's come into my life
He's brought sunshine to my skies

(Repeat Chorus x2)
