

PFR, See The Sun Again

(Verse 1)

I am more than this flesh and bone

By myself I wander the streets alone

But when my dream is over and morning creeps on in

I pull the covers back and I feel your warmth again

(Chorus)

There is something inside that my heart can't explain

But by the grace of God I am made whole again

In the times I have fallen and when I felt the shame

Yet by the grace of God I am made whole again

(Verse 2)

Sold in my pride I said I know

So I bought the lie and I chained my soul

But mercy runs deep and seeks to fill

And empty well of shadow that one day will reveal

(Repeat Chorus x2)
