## PFR, Shine

(Verse 1) You've got to reach out and take it Before it goes by too fast They say that life is what you make it I think we've made it last (Chorus) Some people say we're crazy but We're all spinnin' round, We're all spinnin' round But you and me we've got something to say We're all spinnin' round, We're all spinnin' round Just because you think you're lucky well We're all spinnin' round, We're all spinnin' round And I think we're gonna make it (Verse 2) You've got your four wheels spinnin' You dig 'em down into the ground Just when you think you're winnin' They're all putting you down (Repeat Chorus) Round, round, round spinnin' round Round, round spinnin' round Round, round spinnin' round Round, round, round
