

Phantom/Ghost, The Bogeyman

And he sees your puzzle
and he won't let you scream
like something you can touch
in someone else's dream
but to attack you dear
he should never dare
see the clothes empty
and the hallway is clear
don't you be afraid
there's nothing to compare
to the bogeyman's fear
when the bogey gang's near

Their sound's so strong
it swings with power
we can transmit it
from every radio tower
no doze of prozac
no therapy
could ever beat
the beauty of the bogey

but to attack you dear
he should never dare
see the clothes empty
and the hallway is clear
don't you be afraid
there's nothing to compare
to the bogeyman's fear
when the bogey gang's near

Their sound's so strong
it swings with power
Their sound's so strong
from every radio tower
the beauty of the
the beauty of the
the beauty of the bogey

don't you be afraid (x3)

don't you be afraid
there's nothing to compare
to the bogeyman's fear
when the bogey gang's near
