

Phantom Of The Opera, The Music of the Night

Night-time sharpens,
heightens each sensation
Darkness stirs
and wakes imagination
Silently the senses
abandon their defences
Slowly, gently
night unfurls its splendour
Grasp it, sense it -
tremulous and tender
Turn your face away
from the garish light of day,
turn your thoughts away
from cold, unfeeling light -
and listen to the music of the night
Close your eyes and surrender to your dark nest dreams!
Purge your thoughts of the life you knew before!
Close your eyes, let your spirit start to soar!
And you'll live as you've never lived before
Softly, deftly,
music shall caress you
Feel it, hear it,
secretly posses you
Open up your mind,
let your fantasies unwind,
in this darkness which you know you cannot fight -
the darkness of the music of the night
Let your mind start a journey through a strange new world!
Leave all thoughts of the world you knew before!
Let your soul take you where you long to be!
Only then can you belong to me
Floating, falling,
sweet intoxication!
Touch me,
trust me
savour each sensation!
Let the dream begin,
let your darker side give in
to the power of the music that I write -
the power of the music of the night
You alone can make my song take flight -
help me make the music of the night...
