Phantom Of The Opera, The Phantom Of The Op

He's in the Opera House I know he's there He's with me on the stage He's everywhere and do I sing again For now I find The Phantom of the Opera is there Inside my mind

In sleep he sang to me In dreams he came That voice which calls to me and speaks my name and do I dream again For now I find The phantom of the opera is there Inside my mind

Those who have seen your face draw back in fear, I am the mask you wear It's you they hear

Your spirit and my voice in one combine, The phantom of the opera is there Inside my mind

(Voices) Beware the phantom of the opera, Beware the phantom of the opera

In all my fantasies I always knew That man and mystery Were both in you

And in this labyrinth Where night is blind The phantom of the opera is here Inside my mind

He's there the phantom of the opera

Ahhhhh.... Ahhhhhh... Ahhhhhh... Ahhhhhh... AHHHHHHH !
