

Phantom Planet, Can You See Me Now?

tell me
what do you see
when you look you the window
a lonely knight
left behind
wonders if he should go
on the horizon tonight
can you see me now?
it's me hoping to beat
this evil cast of thousands
on the horizon tonight
can you see me now?
can you see me now?
can you see me now?
tell me
what do you see
when you look out the window
a lonely knight
left behind
he has lost his way
can you see me now?
can you see me now?
every time you go
don't wait up for me
don't wait up for me
every time you go
don't wait up for me
cause i'm alright
