

Phantom Planet, Infatuation

Something very strange now
Something strange is happening to me
Something into the deep end
Now it seems I'm in over my head

I'm stuck in this situation
Is it love or infatuation?
Or just a damn good imitation?
Is this love or infatuation?
Yeah

Can't stop thinking of you
It's such a mystery to me
Is it really over?
Or is it really meant to be

I'm stuck in this situation
Is it love or infatuation?
Or just a damn good imitation?
Is this love or infatuation?
Is this love or infatuation?
Yeah

I'm stuck in this situation
Is it love or infatuation?
Or just a damn good imitation?
Is this love or infatuation?

I'm stuck in this situation
Is it love or infatuation?
or even constant contradiction
Is it love or infatuation?
Is it love or infatuation?
Is it love or infatuation?
Yeah
