

# Pharrell Williams, Airplane Tickets (feat. Swae Lee)

Oh, oh, oh  
Whoa, whoa  
Yeah, oh  
Aye, whoa  
Oh, ooh  
Yo!

Restless, you're getting restless  
In fact, that something's missing  
Missing  
It was all bad  
Tears that you shed  
That you shed  
No such thing at all as moving too fast

Only thing she care about is whereabouts  
Eye contact, she stare me down  
Stare me down  
Wanna wear me out  
She said it without saying it  
Saying it  
We linked up, proper planning  
Planning  
We take trips and she tanning  
Tanning  
Feet in east coast sand

I got airplane tickets with your name on them  
Aye, aye, aye, aye  
And, girl, you fine by me, 'cause you good money  
Aye, aye, aye, aye  
Say you'll fall in love, girl, you might as well  
Aye, aye, aye  
All jokes aside, make you mine, for real  
Aye, aye, aye, aye

¿Qué tienes puesto? (Mami)  
No puedo esperar a mandarte a buscar  
Me cansé de las fotos, el Story y los textos  
Se molesta si no le contesto  
Pues házmelo así, bien toxic, chaotic  
No se deja ver, ella es exóti-ca  
Clase aparte, otra liga

Only thing she care about is whereabouts  
Eye contact, she stare me down  
Stare me down  
Wanna wear me out  
She said it without saying it  
Saying it  
We linked up, proper planning

Mami, el ticket del avión tiene tu nombre  
Aye, aye, aye, aye  
Ah, una vez tú llegues, no querrás volver  
Aye, aye, aye, aye  
Si te pones pa' mí, pues yo también  
Aye, aye, aye

Tú solo dime y pongo el mundo a tus pies  
Aye, aye, aye, aye

Fun time, unwind, you and I under the sun  
I think strongly about that special someone
