

Pharrell Williams, Mamacita

(feat. Daddy Yankee)

Woah Woah Woah
Woah Woah Woah

Break It Down, Break It Down, Break It Down
Woah Woah Woah
She Want Some Reggaeton, Reggaeton, Reggaeton, Reggaeton
Woah Woah Woah Woah

Mamacita, Oh My God I Think Your On Fire
Do You Want Me To Get You Water
You Make Me Want To Be Your Baby Father
Cause The Dance You Do Is Getting Hotter
I Better Cuff You Before The Boys Follow
Whatchu Think...
I Think You Wanna... I Think You Wanna...

She Wanna Break It Down, Break It Down, Break It Down, Break It Down
Woah Woah Woah
She Want Some Reggaeton, Reggaeton, Reggaeton, Reggaeton
Woah Woah Woah Woah

I Been Long Overdue
For Something Overdone
You Been On The Touch, Well I Can Make You Overcome
I Know He Telling You What He Can Make You And
I Know He Telling You Where He Can Take You
By The Way Ma, Hey Is That Your Hair
If It Aint It Took Two Days In The Hairshop Chair
Im Just Jokin'...
I Make Ya Smile Right...

Come Here, I Mean Excuse Me Baby
You Dancin Fastin Ma This Aint Meringe
But Your Butt In Search Of Your Volentes
It's Plump Im Bein Honest, Cause Its Just Nice
You Lookin Different Sayin To Yourself
This No Right, Sure You Cute
But You Know Your Almost Missed This Flight
When My Chain Keep Linkin' Like Christmas Lights
Get It Right...
