Took your mama nine months to make ya  
Might as well shake what your mama gave ya  
You, you looking good in them jeans  
I bet you, look even better with me in between  
I keep my mind on my money  
Money on my mind  
But choose a hell of a distaction when you shake your behind  
I got on my right site  
Poe some girls, my whole hood is on to left  
And they ain't givin a fuck  
So feel free to get lose, and get carried away  
So about tomorrow you forget what you were saying today  
But don't forget about this feeling  
That I'm making you get  
And all the calories you burn, from me making you sweet  
To my highpoint you earn when we taking my jet  
And how everywhere you turn I'll be making you wet  
Cause you can

Just be thankfull that Pharrel gave you something to bump to  
Luda! I'm at the top of my game  
You want my hands from your bottom to the top of your frame  
And I, just wanna take a little right on your cuves  
And get erotic giving your body just what it deserves and  
Let me give you some swimming lessons on the penis  
Backstroke, breaststroke, stroke of a genius  
Yea, come in a innocence mean and
