Pharrell Williams, Show Me Your Soul

(feat. Lenny Kravitz, Loon & amp; P. Diddy)

(Intro: Pharrell Williams (Diddy in background)) Hey yo, ladies and gentlemen You could never imagine, what's about to happen right now (Hey yo check this out)

(Verse: P. Diddy) Hey yo I'm back by popular demand and shit Niggaz want the crown but can't handle it This rap game's getting scandalous I done lost my best friend in Los Angeles My other nigga turned Evangelist But I can't guit cause I'm on some Evander shit Fuck the money and the white sand and shit When it's said and done you gunna understand this shit Your man talking about Hummers and little cars That only fit in his little house little garage His lifestyle is just a little mirage He the type of cat that never had a menage Backrub, you know a little massage Tight shit you get when you Head Nigga in charge I'm in the Rolls listening to the bars Leaned back wit a chick smoking on cigars From Bogota, Colombia, chicks from Panama The diamond fellow, mami hello Pull up in the drop my Ferrari yellow Pull off your top make it shake like Jello

(Chorus: Pharrell Williams (Lenny Kravitz)) DROP EVERYTHING!! When you walk in the door Free your self 'fore get ya ass on the floor! Ah be a maniac-ah! lose control (just lose control) GET NAKED!! Strip down to your soul!

(Bridge: Pharrell Williams) Well strip down! (work) Show me some more! (work) Is that all you got?! (work) You got to make me believe it girl! (work) C'MON NOW!!

(Verse: Pharrell Williams) I'm sitting on your Louie bag, now you're braining it Lookin like your little sister came that painted it Slick, like calamari tentacles Staring at my chain I kicked off your Jimmy Choos I weigh 155 pound when I'm soaked ma That Rolls Royce Phantom, it ain't no joke ma Weed brownie at 2, but I will not smoke ma Don't talk about licking if it ain't deepthroat ma I give you great dick, I make your face flip Then take ya aboard a nigga Spaceship Star Trak, my fault I mean Mother Ship Put on the cameras, try it you'll be loving it And you can bring your girl and we can get on another tit Me? I'm a Mount Airy fellow Or down in Florida wit the Maranello Driving slow watch the mami mouthing & guot; hello&guot; Get wit ya man if you want love you better Trying to get +Dirty+ like +Aguilera+ Yep, he's a skater the kids that's rhyming But I'm also young and rich wit a big ass diamond

(Chorus)

(Bridge)

(Verse: Loon) Hey yo my intro's crazy, I'm in a new Mercedes Rocks the same colors as daisy's Y'all niggaz is lazy, I'm on my j-o-b And that's why ya hate on me But here's the update, Loon ain't got nothing but cake And power from here to upstate Y'all sweet as cupcakes So why niggaz stay wit tough faces? I stay trying to figure what Loon and Puff make

(Verse: P. Diddy) Bitch please! you ain't been in a helicopter Flying 'round Jesus statue wit a mountain in Brazil Bitch please! you ain't never been to Guatemala Eating shrimp by the dollar taking flights to Negril Bitch please! and you ain't been wit Lenny and Pharrell Me and Loon in the hills giving mami's the chills Bitch please! and you ain't never seen a hotter nigga in the game 12 years selling records by the mill, c'mon now

(Chorus)

(P. Diddy) Let's work (huh yeah), let's work Let's work (huh yeah), let's work Show me your soul! c'mon now! Show me your soul! c'mon now! Show me your soul! c'mon now! Lenny Kravitz, Pharrell, they call me Diddy! We wanna see the masses shaking out there It's getting sexy in here Alright y'all, alright alright!

(Chorus)

(Outro: P. Diddy) C'mon and c'mon now Everybody c'mon and c'mon now Everybody c'mon and c'mon now Let's rock, c'mon and c'mon now Just shake, c'mon and c'mon now Just stop, c'mon and c'mon now Just clap, c'mon and c'mon now Everybody c'mon and c'mon now Rejoice.. I like the way you looking out there! I like the way you looking out there! Don't stop.. and another one, and another one Bad Boys 2, the Saga Continues! We won't stop, B.I.G. forever! Let's go..
