

Phat Chance, The One

I know I've never met you but I know
Someday you'll be by my side
And we will share what the Lord's prepared
And we will have nothing to hide
I will never give myself away
I'll be right here waiting, holding on for you

(Bridge)

Wherever you are, underneath these stars
You know tonight I'm praying
For a love that's pure, you can be sure
That love is worth the wait

(Chorus)

You'll be the one sent from above
Til then I'll be waiting, praying, knowing
That you are the one

I know I've never met you but I know
You're a promise I can hold on to
We belong so please be strong
I'm waiting for you too

Repeat bridge
Repeat chorus
