

Phats And Small, Turn Around

Hey! What's wrong with you?
You're lookin' kind of down to me
'Cause things ain't gettin' over
Listen to what I say

Got to turn around
Got to turn around

Hey! What's wrong with you?
You're lookin' kind of down to me
'Cause things ain't gettin' over
Listen to what I say

Got to turn around
Got to turn around

Hey! What's wrong with you?
You're lookin' kind of down to me
'Cause things ain't gettin' over
Listen to what I say

Got to turn around
Got to turn around

Hey! What's wrong with you?
You're lookin' kind of down to me
'Cause things ain't gettin' over
Listen to what I say

Got to turn around
Got to turn around

Ooooh, ooh,
Ooooh, ooh,

Hey! What's wrong with you?
You're lookin' kind of down to me
'Cause things ain't gettin' over
Listen to what I say

Got to turn around
Got to turn around
Got to turn around

Listen to what I say

Got to turn around
Got to turn around
