

# Phil Carmen, On My Way In L.A.

took a trip down to L.A. for a week-end  
let my hear flow an' my inspiration grove

on my way... to L.A.  
touched down thru' the smog cloud, L.A. runway  
visit Sandy in Marina, swingin' easy  
make a beach scene, such a sweet dream, nice an' breezy

on my way... in L.A.  
in the meantime, on the fault line, California

get a notion, by the ocean, what an idea  
move on over little lover, gonna stay here

on my way... in L.A.  
on my way... in L.A.
