

# Phil Carmen, Workaholic Slave

So good to see you  
baby  
where 've you been hiding this time?  
You walk in shining with a smile  
absolutely divine.  
Say  
are you doing alright?  
Workaholic slave  
workaholic slave  
workaholic slave  
Working night and day.  
So good to see you  
baby  
where 've you been hiding this time?  
Nobody's perfect  
but I'd sure as sure try to do right.  
Would you give it a chance  
a change of address  
Snap decisions have a way of working  
make it up.  
Workaholic slave - give it up  
give it up  
Workaholic slave - give it up  
give it up  
Workaholic slave - give it up  
give it up.  
So good to see you

See I'd do anything to brighten the days in your life  
Would you give it a chance
