

# Phil Collins, I've Forgotten Everything

'...I get along without you very well' [Hoagy Carmichael. 1939]

I've forgotten everything about you  
'til someone says your name  
I've forgotten all the reasons I loved you  
'til someone tells me that you rang

The memories are hazy now  
I don't recall at all  
there's nothing, there's nothing there  
just me  
and I don't understand why

I can't recollect my feelings  
'til someone mentions that they saw you  
I really don't remember all the things you said  
'til someone shows me where you live

Why is everything so hazy now  
I don't recall at all  
there's nothing, there's nothing there  
just me  
and I don't understand why

I can't recall your smile  
the touch of your hand holding mine  
and I can't remember why  
holding you seemed so right

The memories they're hazy now  
I don't recall at all  
there's nothing, there's nothing there  
just me  
and I don't understand why

I've forgotten everything about you  
'til someone says your name  
I've forgotten all the reasons I loved you  
'til someone tells me that you rang
