

Phil Collins, Sussudio

There's this girl that's been on my mind
All the time, Sussudio oh oh
Now she don't even know my name
But I think she likes me just the same
Sussudio oh oh

Oh if she called me I'd be there
I'd come running anywhere
She's all I need, all my life
I feel so good if I just say the word
Sussudio, just say the word
Oh Sussudio

Now I know that I'm too young
My love has just begun
Sussudio oh oh
Ooh give me a chance, give me a sign
I'll show her anytime
Sussudio oh oh

Ah, I've just got to have her, have her now
I've got to get closer but I don't know how
She makes me nervous and makes me scared
But I feel so good if I just say the word
Sussudio just say the word
Oh Sussudio, oh

Ah, she's all I need all of my life
I feel so good if I just say the word
Sussudio I just say the word
Oh Sussudio I just say the word
Oh Sussudio I'll say the word
Sussudio oh oh oh
Just say the word
