

# Phil Collins, You Know What I Mean

Just as I thought I'd make it  
You walk back into my life  
Just like you never left

Just as I'd learned to be lonely  
You call up to tell me  
You're not sure if you're ready  
But ready or not, you'll take what you've got and leave

Leave me alone with my heart  
I'm putting the pieces back together again  
Just leave, leave me alone with my dreams  
I can do without you, know what I mean...

I wish I could write a love song,  
To show you the way I feel  
Seems you don't like to listen  
Oh but like it or not, take what you've got and leave

Leave me alone with my heart  
It's broken in two and I'm not thinking too straight  
Just leave, leave me alone with my dreams  
You've taken everything else, you know what I mean
