

# Phil Joel, Fragile

Life is fragile  
Everybody breaks so easy  
Life is fragile  
No one is immune

In the long run  
Everyone must take their turn  
With this lesson we don't wanna take  
But all have to learn

And I'll stay here with you  
Knowing that Jesus is here  
To carry us through  
And all through the night  
I'll stay by your side  
Until the morning appears  
And sun and moon collide  
He'll carry us through

Our time betrays us  
And our minds they try to enslave us  
But there remains, none the less  
Perfect hope that will lead us to rest  
Perfect rest

I don't know where to begin  
I've been thinking about You since  
This began  
Everyday it's the same  
Such bitter sweet emotions  
Like tears in the ocean  
Prayers of praise then those  
Tears of rage  
I'm calling out you You, Lord  
Is this a testing of my faith  
Still all I know is You're in control
