

# Phil Joel, No Longer

Why would I not tell You the truth  
When I see You're tired of the lying  
To walk away is killing You  
I tell myself what I know is not true  
I read Your lips  
As we parted ways  
And I say to myself  
Never again will I be ashamed

No longer, no longer  
Will I sit back  
And watch the world slowly slip away  
No longer, no longer  
Do I have anything to lose  
Worth more than what You've given me

I strained my voice  
Whispering truth  
From the books I read  
And other people's views  
But at the end of the day  
What difference does it make  
It's time I took my mind off me

I'm reaching up  
You're reaching in  
I'm gonna reach out now
