

# Phil Ochs, Crucifixion

Em D  
And the night comes again to the circle studded sky  
G Bm  
The stars settle slowly, in loneliness they lie  
Am D G Em  
'Till the universe explodes as a falling star is raised  
Am D G Em  
Planets are paralyzed, mountains are amazed  
Am D G Em  
But they all glow brighter from the brilliance of the blaze  
Am D Em  
With the speed of insanity, then he dies.  
In the green fields a turnin', a baby is born  
His cries crease the wind and mingle with the morn  
An assault upon the order, the changing of the guard  
Chosen for a challenge that is hopelessly hard  
And the only single sound is the sighing of the stars  
But to the silence and distance they are sworn  
Em C D  
So dance dance dance  
Em  
Teach us to be true  
C  
Come dance dance dance  
D Em  
'Cause we love you  
Images of innocence charge him go on  
But the decadence of destiny is looking for a pawn  
To a nightmare of knowledge he opens up the gate  
And a blinding revelation is laid upon his plate  
That beneath the greatest love is a hurricane of hate  
And God help the critic of the dawn.  
So he stands on the sea and shouts to the shore,  
But the louder that he screams the longer he's ignored  
For the wine of oblivion is drunk to the dregs  
And the merchants of the masses almost have to be begged  
'Till the giant is aware, someone's pulling at his leg,  
And someone is tapping at the door.  
To dance dance dance  
Teach us to be true  
Come dance dance dance  
'Cause we love you  
Then his message gathers meaning and it spreads accross the land  
The rewarding of his pain is the following of the man  
But ignorance is everywhere and people have their way  
Success is an enemy to the losers of the day  
In the shadows of the churches, who knows what they pray  
For blood is the language of the band.  
The Spanish bulls are beaten; the crowd is soon beguiled,  
The matador is beautiful, a symphony of style  
Excitement is estatic, passion places bets  
Gracefully he bows to ovations that he gets  
But the hands that are applauding are slippery with sweat  
And saliva is falling from their smiles  
So dance dance dance  
Teach us to be true  
Come dance dance dance  
'Cause we love you  
Then this overflow of life is crushed into a liar  
The gentle soul is ripped apart and tossed into the fire.  
First a smile of rejection at the nearness of the night  
Truth becomes a tragedy limping from the light  
All the (canons|heavens) are horrified, they stagger from the sight  
As the cross is trembling with desire.

They say they can't believe it, it's a sacreligious shame  
Now, who would want to hurt such a hero of the game?  
But you know I predicted it; I knew he had to fall  
How did it happen? I hope his suffering was small.  
Tell me every detail, I've got to know it all,  
And do you have a picture of the pain?  
So dance dance dance  
Teach us to be true  
Come dance dance dance  
'Cause we love you  
Time takes her toll and the memory fades  
but his glory is broken, in the magic that he made.  
Reality is ruined; it's the freeing from the fear  
The drama is distorted, to what they want to hear  
Swimming in their sorrow, in the twisting of a tear  
As they wait for a new thrill parade.  
The eyes of the rebel have been branded by the blind  
To the safety of sterility, the threat has been refined  
The child was created to the slaughterhouse he's led  
So good to be alive when the eulogy is read  
The climax of emotion, the worship of the dead  
And the cycle of sacrifice unwinds.  
So dance dance dance  
Teach us to be true  
Come dance dance dance  
'Cause we love you  
And the night comes again to the circle studded sky  
The stars settle slowly, in loneliness they lie  
'Till the universe expodes as a falling star is raised  
Planets are paralyzed, mountains are amazed  
But they all glow brighter from the brilliance of the blaze  
With the speed of insanity, then he died.
