Phil Ochs, I'm Going To Say It Now

```
G             Bm              C          G
Oh I am just a student, sir, and only want to learn
 Bm                                      C
But it's hard to read through the risin' smoke of the books that
          D
you like to burn
G             Bm             C            G
So I'd like to make a promise and I'd like to make a vow
  C                   G            D          G
That when I've got something to say, sir, I'm gonna say it now
[ Guy Matz says these chords are
not quite right.  Here is his take ]
